CHRISTOPHER HOOD

CYBER SECURITY AND FORENSICS

📞 253-740-9472 📍 Orem, Utah ✉ chood@proton.me 🌐 christopherhood.org

PROFESSIONAL SUMMARY

I am seeking entry and junior level positions for cybersecurity focused on forensics and/or analysis. I am a senior at Utah Valley University studying Information Technology with an emphasis in Forensics and Security. I have a passion for maintaining a secure environment for networks and enterprises through understanding the regulations and implementing goals and procedures that go beyond the recommendations of NIST, HIPAA, GDPR, COPPA, and much more. I have spent the last two years dedicated to furthering my education in the cybersecurity field and am ready to re-enter the workforce and begin my career in this field.
